

TRAVEL *handmade*

Join the "Travel Handmade" Bag of the Month Club!

Over the course of eight months, beginning October 2018, you'll create **EIGHT PROFESSIONAL PROJECTS** perfect for trips across town or around the world! They are great for gifts too! Each month will feature a different travel bag pattern. This is your opportunity to learn useful skills while making one-of-a-kind bags!

From tags to bags, you'll learn the *essential techniques* for making professionally constructed bags - plus learn tips for using foam, stabilizers, interfacings, zippers, hardware, mesh, vinyl, and more! You'll be a bag-making-addict in no time!

Getting to Know Carolyn

Your educator will be Carolyn Behrens. Carolyn has an impressive career teaching Home Economics at the Jefferson High School for 34 years. Her broad range of experience in teaching sewing is enhanced by a true love of fabric and being creative! Carolyn has kept busy lately by writing two books for Educators, volunteering at Seniors In the Park and at Fort Hospital. Carolyn loves to teach and give back to her community. Carolyn also has a Masters degree in Health Education and Guidance Counseling. Carolyn teaches with a smile on her face and many kind words of encouragement! You'll love her Bag Classes!

We will start in October 2018 and complete the program May 2019. During the first few months, you'll learn the basics of bag making. Throughout the year, we'll work our way up to more detailed bags and learn professional techniques. The final project in this eight month series will incorporate all of the skills you've learned throughout the year! Upon completion of this Travel Handmade program, you'll have made a lovely set of functional travel accessories! Then, it's time to hit the road!

Classes will likely be 7-9 hours each.
